**Presenter: Keith Blizzard BSc(Hons) DipArb FRICS FCIOB FCI Arb FFB (Hon) FQSi**

With a wealth of experience over more than 30 years in every aspect of construction law, Keith runs his own company specialising in adjudication, arbitration and mediation. As well as being a highly experienced construction expert accustomed to dealing with contentious issues, Keith is a chartered quantity surveyor, chartered construction manager, chartered arbitrator, panel adjudicator, accredited and panel mediator, accredited dispute board member, forensic surveyor and experienced lecturer. His expertise in adjudication and arbitration have led him to be not only in demand in those roles but also to become a visiting lecturer at universities, including in Helsinki, Sheffield and Birmingham, and to be asked to speak at conferences in the UK, Europe, the Middle East and Asia, as well as tutoring post-graduates acquiring professional qualifications.
